

Corn Receiving Policy

10/1/2011

All corn delivered to Guardian Energy, LLC will either be applied to an existing contract for the current shipment period or spot priced at the end of the day at the closing bid for cash corn posted by Guardian Energy, LLC for the same day the grain was delivered.

Delayed Pricing contracts are available, however rates & terms must be discussed with Guardian Energy, LLC merchandising staff prior to any deliveries of grain that are intended for a Delayed Pricing contract.
